

gender **SELECTED™** **Ultraplus™**

Backed by more fertility research than any other A.I. source

Semen quality is extensively and continuously scrutinized, including field performance data. *gender* SELECTED semen is recognized by breeders as the highest-fertility product on the market!

Protect your genetic investment

A heifer calf from first calf heifers ensures easier calving and a less stressful start, lower veterinary bills and greater production potential!

No other source offers a greater genetic selection

Regardless of your breeding criteria, we have a sex-sorted sire for your program: 507, 579-Select Sires, 550-GenerVations, 614-Accelerated Genetics.

 *gender* **SELECTED™4M** Look for 509-Select Sires,
Ultraplus™ 559-GenerVations, 814-Accelerated
Genetics for sires available in 4M doses.

YOUR SUCCESS *Our Passion.*
